

In accordance with section 15132 of the State CEQA Guidelines, this section presents the changes that were made to the Draft EIR/EA to clarify or amplify its text in response to comments. Such changes are insignificant as the term is used in section 15088.5(b) of the State CEQA Guidelines in that no new potentially significant impacts are identified, and the effectiveness of identified mitigation is not reduced.

The following pages are reproduced from the Draft EIR/EA, with changes noted by striking out deletions and underlining additions. Only those pages with changes are presented.
